

FOCIS member symposium at FOCIS 2019, Boston

"The Indian Immunology Society has filed application to host a Member-Society Symposium during the FOCIS congress to be held at Boston, USA from June 18-21, 2019. If successful then the title of the symposium will be, 'Immune-aberrations in Human Disease'. There may be 2-3 slots available for 20-minute talks in this symposium. The members who wish to participate may send (email: iis.secretariat.2018@gmail.com) the title of their talk along with an extended abstract (upto 500 words structured abstract giving background, rationale, methodology, results, interpretation and significant message) and short half page CV giving your current affiliation, background and training, for consideration latest by **2nd Dec., 2018, 13:00 hrs.**

Please note that :

It will be a half-day (4 hour) symposium on any of the days as allotted by the organisers of FOCIS.

All symposium speakers agree to:

- Provide a photo and short bio (100 words or less) for use in FOCIS 2019 marketing
- **Register for FOCIS 2019 and make their own travel and accommodation arrangements**

FOCIS agrees to provide:

- Complimentary meeting space, audio visual equipment (projector and screen, slide advancer, lectern mic), one coffee break and promotions for Member Society Symposia
- List member society symposium on the program page of the FOCIS 2019 website
- List member society annual meeting details on the related meetings page of the FOCIS website
- Provide discount on individual membership to member society members.

FOCIS reserves the right to approve the Member Society Symposium program and participants.

FOCIS does not reimburse Member Society speakers for registration or other expenses incurred as a result of participation in this session. Speakers are eligible for a 50% reimbursement of their registration if they stay for the duration of FOCIS 2019 and complete the FOCIS 2019 attendee evaluation available after the event.

--Dr Sunil K Arora, President IIS.
